JUMBLE SERIES

by Martine Perrin

Riddles and cut-out pages to explore countries with a graphic vision! Martine Perrin creates picture books for toddlers the same way she would make objects with forms and colours, wefts and surfaces, height and space. She wants them to look at images like spaces, which add up or hide each other, so that they watch the world differently, so that they wonder, separate, associate, compare, manipulate, imagine, create and, above all, have fun!

3/6 years - 17 x 17 cm - 36 pages - Board books with round corners and cut-out pages
Publisher: Les Grandes Personnes (France)
